5. WHOLESALE SOURCING NOTES

Rajapalayam is a tier-3 town where dedicated wholesale-only spectacle lens distributors are limited. Most businesses operate as retail-cum-wholesale dealers. For your Sankaran Kovil Opticals business, here are key recommendations for sourcing wholesale spectacle lenses:

Star Opticals (IndiaMART B2B Verified) - Best wholesale contact in Rajapalayam with 5 phone numbers, GST registration, and IndiaMART B2B presence. Supplies spectacle frames, sunglasses, reading glasses, and goggles. Also deals in Essilor and Zeiss lenses. Recommended as primary wholesale contact.

Sha Opticals (Justdial Confirmed Wholesaler) - Explicitly listed as 'Spectacle Frame Wholesalers' on Justdial. Stocks premium brands including ZEISS, Essilor, Hoya, and GKB lenses. Good option for both frames and lenses.

Rajapalayam Opticals - The most established optical showroom in Rajapalayam with premium brand portfolio (Essilor, Zeiss, Ray Ban, Marc Jacobs, Lacoste). Listed as a 'Boutique Store' on You&Eye; Awards. May offer competitive B2B pricing on branded lenses due to volume.

Nearby Wholesale Hubs - For larger wholesale orders, consider contacting distributors in Madurai (~65 km from Sankarankovil) and Chennai (~500 km) where major wholesale optical distributors operate with wider inventories.

Direct from Manufacturers - Essilor, ZEISS, and Hoya have regional offices in Tamil Nadu. Contacting them directly for dealer/distributor registration may yield better pricing than going through local dealers.
